Christingle Service / Christingle Candle

Dear Parents / Carers,

On the last day of term we will be holding a Christingle service in school for the children. This is an assembly where the children sing Christmas carols and songs and they listen to the story of the very first Christmas.

We would like every child in school to make a Christingle - so we ask that they bring in an orange (not a Satsuma or a tangerine as these are too small to hold the Christingle candle.)

We ask that they bring in their orange next Monday, the last week of this term.

The younger children are helped to make their Christingle by the older children.

The other materials that are used to make the Christingle we get from the *Children's Society*.

The aim this year, is to continue to inspire people through Christingle and raise even more to help give children back their childhood

We support this charity by asking you to put a few spare coins in the Christingle Candle and return this to school.

Yours sincerely,
